America's Service Commissions

2025

3-month Summer AmeriCorps Positions Available

[Green Iowa AmeriCorps](#) operates through the [University of Northern Iowa's Center for Energy and Environmental Education](#) (UNI CEEE) in Cedar Falls. The program is looking to recruit passionate and motivated individuals to serve with our program in one of our service locations throughout Iowa.

Green Iowa AmeriCorps members, in collaboration with our host sites, community partners, and engaged citizens, focus on a wide variety of environmentally focused activities including but not limited to:

- Conducting **environmental education** lessons and presentations to persons of all ages and abilities
- Engaging in and leading environmental **outreach and community engagement** projects
- Recruiting and engaging **volunteers** in service to the community
- Conducting **residential energy efficiency** services (primarily for vulnerable populations)
- Enhancing **commercial energy efficiency** projects for public buildings (LED upgrades, etc.)
- Developing **Climate Action Plans & Greenhouse Gas Inventories** for counties and organizations
- Developing **waste reduction** strategies for sites and communities (recycling and composting education and outreach)
- **Planting trees** and restoring tree canopies in vital communities
- Engaging in **water quality** services (sampling, testing, river clean-ups, etc.)
- Engaging in additional **conservation** projects (prairie burns, GIS, soil restoration, etc.)
- Enhancing one's own **Professional Development** through specific projects and trainings, tailored to their own areas of interest

Exact service projects vary by host site and more details are provided during the interview process.
